Hi Paul

Just to let you know I have just paid the remainder of your invoice in the sum of £1270 by bank transfer.

I also want to thank you for the thoroughly professional job you have done for us, not only in the installation of our Mainsboost Plus system but also in the manner that you transacted our business.

So many companies rush through the investigation of needs but I was impressed that you took the time to understand our situation and propose the correct solution for us.

Please feel free to use this as a testimonial as you see fit.

Thanks again

Regards

Frank Lovett
